MAR 8-9

**CHICAGO**

MAY 3-4

**SAN DIEGO**

AUG 9-10

The Healthcare Improvement Forum is an innovative gathering of leaders eager to hear from industry experts. As an attendee, you will learn practical tools and tactics that will build on your strengths to exceed your organization's goals—from employee engagement to the patient experience.

## WHAT YOU'LL LEARN

- Enhancing Accountability
- Fostering Empathy
- Driving Performance & Sustaining Results
- Managing Change & Transition
- Advanced Coaching Techniques
- Optimizing Physician Performance

## WHAT YOU'LL GAIN

- A Model for Leading & Coaching Performance
- Innovative "Plug-and-Play" Tools & Tactics
- Practical Solutions for Addressing Common Challenges, including improving the patient experience, employee engagement, physician collaboration, and sustainable results

“Could not ask for more in a conference. Sessions were on schedule, speakers were enthusiastic and engaging. It was a delight to exchange ideas with others interested in excellence. I will take several things back to my workplace to implement.”

—Kathryn Delamar; East Alabama Medical Center; Denver 2015 Attendee
